Sew a Pair of Baby Bloomers

Creativebug all-star Ashley Nickels shows you how to stitch a simple pair of baby bloomers that make the sweetest summery diaper cover. You'll sew straight seams, then work a double-fold casing for the elastic waist and legs.

Doodle and Paint an Animal Portrait

In this fun and improvisational course, artist Jennifer Mercede shows you how to make expressive, exciting animal portraits in her signature style.

Sew a Luckyjuju Puppy Doll

Katia Ferris's best-selling Luckyjuju dolls are much beloved by collectors and families alike. Now, with the line's inaugural pattern release, you can stitch up a stuffed "lovie" of your very own.

Blocking Knits 101

Block your knits is a must-do step to lend polish to your finished project and prepare items for gifting. Expert knitter and pattern designer Faith Hale walks you through her favorite tools and essential items that make blocking a breeze.
